	<i>Please write below</i>
In 50 words or less tell us what's been done to reduce your property's power use.	
In about 10 words, please tell us <u>why</u> you decided to rethink your energy usage	
What other steps do you anticipate making to move towards being 100% renewable?	
Please suggest some de-carbonising energy initiatives you'd like to see happen in the Yackandandah area	

We'd like to post a photo and ideas from this form on our TRY website. Do you give us your permission to post?

Please attach a relevant photo – ideally an electronic copy.

If you are nominating someone else, please ask them for their agreement and give us their name and contact details
