

Golden Yak Nomination Form

TRY's *Golden Yak* award recognises outstanding household or business contributions towards reducing their carbon footprint and working towards our goal of achieving 100% renewable energy by 2022.

You need to show us efforts in any two of the following (please tick all that apply):

- Sustainable house design minimising energy use e.g. passive solar – see <http://www.yourhome.gov.au/energy>
- Switching to green power – for good general advice see <http://www.greenpower.gov.au/>
- Reducing energy use e.g. insulation, double glazing, shading windows, LED lights – for help see <http://www.yourhome.gov.au/energy>
- Alternative heating e.g. solar hot water and heat pumps
- Generating electricity sustainably e.g. solar, hydro, bio-energy, wind
- Storing power e.g. batteries

Nominee's Details (the person being nominated for the award)

Full Name	
Address	
Best phone	
Email	

Proposer's Details* (the person filling out this form, if different to nominee)

Full Name	
Address	
Best phone	
Email	

** If you are nominating someone else, please ask them for their agreement and fill in their name and full contact details at the top of this form*

Please answer the following questions

In 50 words or less tell us what's been done to reduce your property's power use	
In about 10 words, please tell us <u>why</u> you decided to rethink your energy usage	
What other steps do you anticipate making to move towards being 100% renewable?	
Please suggest some decarbonising energy initiatives you'd like to see happen in the Yackandandah area	
We'd like to post a photo and ideas from this form on our TRY website. Do you give your permission for us to do that? [Please attach a relevant photo, ideally an electronic copy]	
Signed	

Please submit this form, with a relevant photo, via email or post to:
